戦評 (summary)

The game was started by Tenri's center pass. In the first half, Tenri pushed into the opponent's position, but could not get a score. Gradually, Nanto was holding a pace of the game from their passing, and broke the ice by Tameto's shot from the PC. Nanto, who got energized more, attacked into Tenri's position more and once, but their attack was blocked by Tenri's tight defense. While the game was on Nanto's side and it seemed that Tenri's attack was single shot, Tenri got the PC from their aggressive attack. With this chance, Oikawa got a score without fault. The first half ended with the score of 1-1 after Nanto GK Kose blocked Tenri's definitive chance.

In the last half, the game was started by Nanto's center pass. In the early time, Tenri pushed into Nanto's position, but could not get a goal in front of Nanto's tight defense. In the 45th minute, Nanto got the PC from Manabe's dribbling, but in vain. In the 51th minute, #16 Numao's shot was saved by Tenri's GK. Even though Nanto attacked into Tenri's field once and again, Tenri blocked them. In the 14th minute, Nanto Kose blocked Tenri's shot chance. Afterward, while two teams went back and forth at each other, Nanto got a PC, but could not get late in the game, although both teams attacked into circles, the game ended with the score of 1-1 without any decisive shot.
